

Continued Care at Mile High OBGYN with The Women's Health Group

The Women's Health Group is pleased to announce our recent partnership with Mile High OBGYN to continue caring for existing and new patients, effective January 1, 2019.

Mile High OBGYN will remain in both original locations at 425 S Cherry St Suite 300 and 8200 E Belleview Ave Suite 320 with no change to staff or physicians. All existing patients will continue to be cared for and new patients are welcome.

"We are pleased to partner with Mile High OBGYN," says Dr. Volin, founder of The Women's Health Group. "Like us, they share a commitment to patient care and have a long and rich history in the community of serving the needs of thousands and delivering babies for over 60 years."

Merging The Women's Health Group and Mile High OBGYN benefits current and future patients as well as the overall community.

"By associating and growing together, we are able to offer more choice to patients in terms of specialty care and office location. We are loyal only to our patients, and while we are proud to have a great relationship with Rose Hospital, we are able to refer patients to the most appropriate and cost effective facilities for each individual person. Unlike doctors who are employees of hospital systems who may have different priorities, we have no financial incentive to send patients to any place in particular since we are truly independent and only have our patients best interests in mind at all times."

About The Women's Health Group

The Women's Health Group, with 32 providers, founded by Stephen M. Volin M.D. in 1992, specializes in all aspects of care for women including low and high risk obstetrics, routine gynecological annual care, complex pelvic pain, minimally invasive surgery, recurrent infection, abnormal bleeding, urinary and fecal incontinence, pelvic organ prolapse, bioidentical hormonal treatment, vaginal rejuvenation, and sexual health.

The Women's Health Group has eight locations including, Thornton, North Thornton, Lafayette, Broomfield, Reunion, Midwifery at Rose in Denver and Mile High OBGYN in Denver and Greenwood Village. We strive to provide expert, comprehensive, state-of-the-art Obstetrical and Gynecological care and encourage open communication with the goal of serving the needs of each patient as an individual.
